

BCPS One: Student Information Attendance

The Student Information module allows users to access daily attendance information for students. In the future it will allow users to access period attendance information, grade reporting information and set privacy preferences.

NOTE: The content displayed in the Student Information module is for informational purposes only. School staff should be contacted for copies of official school records.

To access Student Information:

Once inside BCPS One, select Student Information from the landing page.

The screen will open to the monthly view of daily attendance.

Users can access daily attendance information for all students associated with a parent account by using the dropdown to select each student. Click on the Previous and Next buttons to navigate through the months of the current school year.
