

BCPS One: Student Information Attendance

The Student Information module allows students to access daily attendance information. In the future it will allow students to access period attendance information and grade reporting information.

NOTE: The content displayed in the Student Information module is for informational purposes only. School staff should be contacted for copies of official school records.

To access Student Information:

Once inside BCPS One, select Student Information.

The screen will open to the monthly view of daily attendance.

Click on the Previous and Next buttons to navigate through the months of the current school year.
