

RANDALLSTOWN HIGH SCHOOL

Embodying a Tradition of Excellence

Friday, January 11, 2019

Greetings Randallstown High School Family,

I am thrilled to share that Baltimore County Public Schools has selected Randallstown High School as a site for the Associate Principals Program. This important initiative identifies highly effective administrators aspiring to become principals and provides professional development and internship experience to prepare them to lead one of Baltimore County's extraordinary schools. The program provides the opportunity for host schools to learn and benefit from talented leaders with unique skills and experiences from across the county.

Randallstown High School has been selected as an internship site for one of the county's emerging leaders in this program. Mr. Eric Eiswert will join the RHS family on Monday, February 4, 2019 and serve as an Associate Principal for one month. During this experience, Mr. Eiswert will lead targeted initiatives aligned to our mission and vision. With the support of RHS's faculty and staff, he will also lead the daily operations of the school until the conclusion of his internship on Friday, March 1, 2019.

Mr. Eiswert joins us from New Town High School where he serves as an assistant principal. Mr. Eiswert has served in a wide variety of leadership roles over the course of his 22 years of experience with Baltimore County Public Schools. A graduate of Frostburg State University, Notre Dame of Maryland and Goucher College, Mr. Eiswert first entered the field of education as a Social Studies teacher and continues to support students, teachers and communities in realizing their greatest potential.

The opportunity to both learn from Mr. Eiswert and to share the work that we have done to realize Randallstown's rich tradition of excellence is a testament to the hard work that our students, faculty and staff are doing. We are excited to welcome him to Rams Nation and look forward to him leading us through a strong opening of the second semester.

Serving students in excellence,

Mr. Aubrey P. Brown, Jr.
